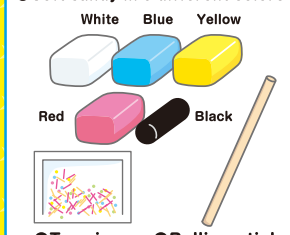
How to Make

1. Wash your hands well!
2. Take the sack the tray came in, and spread it out flat. Place the candy on top of this.
3. Look at the photographs below and shape the candy as shown.
4. When finished, enjoy the delicious sweets!

Kit contents



How to Use the Mold

Use scissors to cut the mold along the dotted lines shown in the picture.
※There are some sharp corners, so be careful.

To Parents

Making the candy by thinking about how to use the various colors and shapes will develop your child's creative ability.

There are 4 types of molds, so the tray in the set may differ from the one shown in the photographs.

Making Shapes

Use the rolling stick to roll out the candy

Pull with your fingers

Roll into long shapes

Roll into balls

Mixing

Make new colors!
Knead colors together to make new colors.

Red + Blue = Purple
Yellow + Red = Orange
Blue + Yellow = Green
Red + White = Pink
Red + Yellow + A little black = Brown

Try out different combinations!

Mix just a little bit to make marbled colors

Patterns

Decorate with the topping pieces

Use the rolling stick to make holes

Use a fork or other object to make different patterns!

Use the Molds

Press pieces of the candy into the molds to shape them.

Press onto the mold to make shapes!

Assembly different molded shapes to make new objects!

Try making these!

Neruru

Nerune

If the candy is sticky, let it cool a little bit. If it is hard, warm it with your hands to make it softer.

Make sure to wash your hands first!
